FAQS

4. On the catalog page, you will see the following categories:
  - a. **Membership:** Click on this first. Before you can register for anything else, you will need to register for a Membership by adding it to your cart. Otherwise “ADD TO CART” will not appear for courses, SIGS, events, etc. If you are planning to register for a Membership and courses/SIGs/events/etc. at the same time, be sure to add the Membership to your cart first, then you can begin to add additional items to your cart and check them out at the same time.
  - b. **Lexington:** This category will give you 2 lists of all courses taught by Lexington instructors (with the exception of a few out-of-state instructors) and Donovan Forum Lectures. There are 2 lists, subcategorized by course category in the left list and the days of the week (Monday – Friday) in the right list.
  - c. **Morehead:** This category will give you 2 lists of all courses taught by Morehead instructors. There are 2 lists, subcategorized by course category in the left list and the days of the week (Monday – Friday) in the right list.
  - d. **Special Events & Socials:** For any upcoming OLLI-sponsored events or OLLI Socials local to Lexington or Morehead, you will find these in this category.
  - e. **2024 Southern Regional Conference:** *(currently for registration for the 2024 SRCLR)*
  - f. **FAQs:** Frequently Asked Questions that you can refer to regarding membership information, inquiries, and questions.
5. Go ahead and click on “**MEMBERSHIP**”. **You must add the Membership to your cart first before you can add classes to your cart.** You will then be taken to the OLLI at UK Membership item page. Then click the “**ADD TO CART**” button at the bottom.

ADD TO CART

- While still on the same page, you will then see a Shopping Cart appear on the right side of your screen. This Shopping Cart window will always appear whenever you add something to your cart. It lets you see all items currently in your cart, and you can also delete items by clicking the blue trash can icon to the right of each item.
- If you want to only purchase a membership, go ahead and click **“CHECK OUT”** (and in this guide, go to step 13 on page 6.) Otherwise, if you want to stay on the same page and add additional items (courses/SIGS/events) click on the **“STAY ON THE SAME PAGE TO CONTINUE SHOPPING”** text (you can also click the small X symbol in the top right corner or click in the dimmed area on the left). Since you are only adding Membership in this step, you will need to navigate back to the Course Catalog page to start adding courses/SIGS/events. While still in the cart, you can click **“RETURN TO COURSE CATALOG”** to quickly get to the Course Catalog page. Otherwise, if you close out of the cart, you will need to click **“CATALOG”** in the navigation bar.

- Back on the **Course Catalog** page, you can register for a course, Donovan Forum lecture\*, or SIG by clicking either Lexington or Morehead. (\*Forum lectures are only visible in the Lexington category)

9. For this example, Lexington has been selected. You will see 2 lists: **“View Class by Topic”** (as classes are normally listed in our print catalog) and also **“View Classes by Day of Week”**. You can click one of the subcategories in blue text to view classes within that course category (everything below **“View Classes by Topic”**) or day of the week (everything below **“View Classes by Day of the Week”**). Morehead also has the same format.

10. Continuing the example, let's say you select the **"Performing Arts"** category. You will see a list of all the classes being offered in that course category. The format for each class will have the same formatting as the example below:

<b>OLLI Chorus</b>	
<p>Fee: \$50.00            Dates: 9/6/2023 - 11/29/2023            Times: 1:00 PM - 2:30 PM            Days: W            Sessions: 13            Building: Twin Pines Christian Church            Room: Sanctuary            Instructor: John Stegner , Bobbie Bevins</p>	<p>OLLI Chorus is designed so that participants are provided an opportunity for growth and development while learning and singing quality choral music. A multitude of genres and musical styles, while dealing with proper vocal and choral techniques, will be emphasized in the preparation and rehearsal of the music. Students will be encouraged to sing with sense of blend and balance, striving for a professional choral sound. Join the chorus for an enjoyable, yet challenging experience.</p> <p>(Class fee includes \$10 sheet music fee)</p>

11. Each class will have its title listed in a wide blue box, with its information listed right below the box. This formatting helps distinguish the various classes from one another. For each class, you will be able to view the following: Fee, Dates, Times, Days, Sessions, Building (Location), Room, Instructor(s), and course description, along with any additional information, such as dates the class will not meet (typically holiday days or days the instructor is not available). When you see a class you want to register for, click the **"ADD TO CART"** button underneath it.

12. Once you add a class to your cart, you will always see the Shopping Cart window open on the right side of your screen (if you need a review of the Shopping Cart window, you can return to page 3 of this guide). Continuing this example, we will get ready to checkout. Click the **"CHECKOUT"** button to then navigate to the Shopping Cart page, will let you review your items again before beginning the checkout process.

13. Our shopping cart in this example includes the OLLI Membership like before, but now also includes the class that was just added (in this example, “**OLLI Chorus**”). But before we click the “**CHECK OUT**” button, notice that for both Membership and the class, there is text to the right that reads “**Remove item**”. If you ever need to remove an item from the cart, you will click on “**Remove item**” to do so. The Shopping Cart page will refresh each time you click “**Remove item**”. **NOTE: If you have not registered for membership already and click “Remove item” next to the OLLI Membership, it will delete all items from the cart.**

But for this example, we will not remove any items. Instead, we will click “**CHECK OUT**”.
