2. Go to your email, and look for a message that says, “**Username recovery**”. Click on it, and this is what the message will look like:

Your username recovery request has been received.

Here is the username information you requested from our website: **nfarr1**

You may use your username to log into your account here:

If you have a question or comment, please feel free to reply to this email, or call the OLLI at UK office at (859)257-2656.

Thank you!

3. You will now be able to view the username in bold.
4. You can copy/paste this username from the email into the “**Username**” section of the “**Sign In to Existing Account**” box on the Sign In page.

Reset My Password

1. Be sure that you know your username and email set for your account, as both are required for a password reset. If you do not know your username, refer to the **Find My Username** page before this one.
2. Click the **“Reset My Password”** link. Then enter your Username and Email. After that, click the **“RESET MY PASSWORD”** button.

Password Reset

If you have forgotten your password, please follow the instructions below.

To reset your Password:

1. Enter the unique username associated with your student account.
2. Enter the email address associated with your student account.
3. Click on the Reset my Password button.
4. An email will be sent to you with a link to reset your password.

9. You will then be taken back to the Sign In page and in the **“Sign In to Existing Account”** box, use your username and new password that you just set.
10. When you are signed in, you can also access the **“MY ACCOUNT”** button in the top white bar.

11. You will see various links under Account Overview. If you want to change your username or password while signed in, click on **“Username and Password”**

12. You will then be able to change your username and password from this page, if you ever prefer to do so. **“Change Password”** will require your old password in the first box. If you do not remember the old password, you will need to click **“SIGN OUT”** in the top blue bar, then click **“Reset My Password”** in the **“Sign In to Existing Account”** section. Then proceed with steps 3 – 8 as listed in this guide (starting on page 3).
