

# The Lexington Cemetery

833 W. Main Street, Lexington

## Directions

1. Lexington Cemetery is located off of West Main Street, near the West Main Street/Oliver Lewis Way intersection and where Main Street becomes Leestown Rd. The Cemetery's office building, right by the gate, is more visible if you're coming from West Main/Oliver Lewis.
2. When you reach the entrance/gate, you will see a small parking lot to the left. Before parking however, an OLLI member will greet you at the entrance of the cemetery and provide you with parking instructions.
3. If you would like to look at a map of the full grounds, refer to this link from the cemetery:
